The CUORI 01 coffee table is sold per individual block. The image shows two blocks stacked on top of each other. The price for this setup is therefore: price of BLOCK + price of BLOCK. You can also purchase a single block, or several blocks to create a custom combination. The choice is entirely up to your own creativity.

All prices are in € Euro, including VAT (21%).  
The prices are recommended retail prices. (Please refer to the general terms and conditions for delivery.)

Custom dimensions are possible, but only in consultation with the designers of Belinea. We also offer a range of different materials for special custom-made projects. Please note: custom work carries a 10% surcharge on top of the regular retail price.

All materials can be viewed on the website under the section “Materials”
