♣ FIORI

The Fiori modular sofa is designed with a focus on craftsmanship, durability, and flexibility. Its solid oak frame, available in various oil finishes, offers both strength and longevity, while adding a warm, natural touch to any space.

Thanks to the high-quality seat cushions with pocket springs, the sofa retains its comfort even with frequent use. The timeless design and extensive customization options make the Fiori suitable for any interior.

Choose from a range of colors, finishes, and configurations — with or without armrests — and add an integrated coffee table in either a small or large version.

With this modular sofa, you create a piece that is not only comfortable and stylish but also perfectly tailored to your personal living style and space.

Solid wood furniture brings a unique blend of style, durability, and character to any interior. The warm tones, subtle grain patterns, and natural textures instantly add an authentic feel to a space. No two pieces of wood are alike, giving each piece of furniture its own distinctive signature.

Beyond their aesthetic appeal, solid wood pieces are renowned for their strength and longevity. With proper care, they maintain their beauty for many years and even develop a richer look over time. The Fiori modular sofa contributes to a classic and timeless atmosphere.

Solid wood blends effortlessly with a wide range of interior styles. A clean finish offers a modern and minimalist look, while still providing a warm, rustic charm. Thanks to its versatility, wood allows for complete customization—from subtle finishes to bold, eye-catching designs.
